

INTENDED CHANGES TO THE 1 FEB 2002 FINAL DRAFT RFP

13 FEB 2002	L&M-517	<p>In para. (b), the sentence with the requirement for the offeror to provide the Government a half-hour caucus at least four times a day is changed to read as follows—</p> <p>"The offeror shall provide the Government a half-hour caucus at least four times a day (note: the offeror may participate in the last caucus of each day to provide written answers to clarification ENs.)"</p>
13 FEB 2002	Section B, B032	<p>The clause is rewritten as follows—</p> <p>"Fixed Price. See CLIN description. The EPA applies to target cost, target price, and ceiling price amounts of FPIF and FPIS CLINs.</p> <p>"Applicable to the following Line Items: All FPIF and FPIS CLINs shown in Section B."</p>
13 FEB 2002	Section I	<p>The clause at FAR 52.252-4 Alterations in Contract (Apr 1984), is added to Section I, Part II, Section A Federal Acquisition Regulation Clauses In Full Text, with a fill-in as follows—</p> <p>"The clause at AFMCFARS 5352.243-9001 Advance Change Agreements allows for changes to contract work without changes to contract price or fee so long as the value of each change is under the amounts specified in the clause. The parties agree that the total cumulative changes under this clause shall not exceed 1% of the value of the EMD value (CLINs 0xxx), 2% of a production value value (CLINs 1xxx), or 5% of an O&S option value (CLINs 2xxx)."</p>
11 FEB 2002	RFP Atch 6, GFP Listing	<p>In para. 8., the last sentence is changed to read, "However, if the offeror has knowledge that certain GFP will not be available after award of this contractor, it must provide that information to the Government with its proposal."</p>
11 FEB 2002	L&M-525	<p>In para. (f), delete the sentence "Text font shall be Times New Roman or equivalent, 12 point vertical height, black and single-spaced." The font size is already specified in the previous sentence, use of any standard font compatible with our equipment is permitted, colored text for highlighted information is permitted, and single-spacing is at the offeror's discretion.</p>
11 FEB 2002	Section L, p. L-3, NOTICE OF	<p>The times for each conference were incorrectly shown and are changed to Offeror A 1:00pm to 2:30pm and Offeror B</p>

	PRE-BID/PRE-PROPOSAL CONFERENCE	<p>3:30pm to 5:00pm.</p> <p>The number of attendees is changed from eight (8) to three (3), but the offeror will be permitted to initiate an outside conference call to its offices.</p>
1 FEB 2002	L&M-566	<p>Change (17) Instrument Subcontract arrangements to read as follows—</p> <p>"The offeror will provide a summary of the scope of work and contract terms negotiated with each instrument subcontractor, and a statement that negotiations with that subcontractor are or are not complete (and if not, a summary of actions and agreements still needed). The summary for any single instrument should not exceed two pages, except that up to four pages may be used for SESS. Note: the offeror should anticipate providing copies of fully negotiated subcontracts for the ATMS, CrIS, CMIS, GPSOS, OMPS, and VIIRS instruments before final proposal revision."</p>
